

WINTZELL'S OYSTER HOUSE

FOR IMMEDIATE RELEASE

Wintzell's Oyster House Annual Week of Giving
November 16-21, 2015

Mobile, AL - To celebrate the beginning of this season of giving, Wintzell's Oyster House locations throughout the State of Alabama will host the first *Annual Wintzell's Week of Giving*. Monies raised at each event will stay in each community and will support local people in need.

"We challenged team members at each Wintzell's location to select a charity of their choice, develop a *Week of Giving* plan and we would support their efforts," said Wintzell's owner, Buffy Donlon. "We are overwhelmed by the enthusiasm and the creative ideas presented by all of the Wintzell's restaurant teams and look forward to this week-long celebration."

Wintzell's *Week of Giving* joins a growing list of local and corporate sponsored events supporting community projects. Each year, Wintzell's donates in excess of \$100,000 to non-profits throughout the State of Alabama.

Founded in 1938 as a six-stool oyster bar, Wintzell's delivers an atmosphere that is lively, casual, and unmistakably southern. www.wintzelloysterhouse.com

Wintzell's *Annual Week of Giving* events by location include:
